Safe and convenient, wherever you are...

Soft drinks in cans

Outdoors or at home, soft drinks *in cans* are delicious and flavour fresh . . . easy to store . . . easy to carry . . . light in weight, yet unbreakable. Canned beverages chill fast in your refrigerator or picnic cooler . . . stack easily and compactly . . . and free you from the bother of deposits and returnable empties.

Through the manufacture of high quality tinplated steel, STELCO helps the nation's can makers and canners bring you the added pleasure and convenience—at work or play—of soft drinks in cans. All your favourite brands are now available at local stores.
